# Huey Long Live! The Kingfish Speaks.

## The newest exhibit at Louisiana's Old State Capitol

It's been over 75 years since Huey P. Long roamed the halls of the Old State Capitol. Don't miss his return at the grand opening of the Old State Capitol's newest exhibit, "Huey Long Live! The Kingfish Speaks." This one-of-a-kind animatronic features the Kingfish pontificating on a variety of topics all close to his heart: LSU, paved roads, pot likker and more. Celebrate Huey's 111th birthday with a Press Conference, Lunch and Exhibit Preview.
